PURPOSE

It also assures your eligibility to participate in the range of student benefits that are offered as part of your degree program. Academic requirements and your financial obligations are also covered.

BACKGROUND CHECK, FINGERPRINT SCREEN, AND DRUG SCREEN

After notification of academic eligibility, applicants must initiate drug, background and fingerprint screenings and either clear all screenings within 120 days of the session start date or sign a self-attestation and disclosure indicating their ability to clear all screenings within 120 days of the session start date before the applicant is granted acceptance. A \$200 non-refundable background check, fingerprint screen and drug screen fee will be charged upon enrollment for pre-licensure programs. Full details and a summary of students' rights under the Fair Credit Reporting Act are outlined in the addendum to this enrollment agreement.

Students are responsible for determining the impact their criminal history has on obtaining a nursing license in the state in which they wish to become licensed.

Students must receive approved screening clearance from Chamberlain University by the end of their first semester or prior to attending a clinical learning experience, whichever occurs first. If an applicant or student receives screening results that cannot be cleared by Chamberlain prior to the deadlines noted above, the applicant or student will be dropped from all future enrollment until the screening results can be cleared.

DISCLOSURE STATEMENT AND DISCLAIMER FOR PRE-LICENSURE NURSING STUDENTS

As part of the admission process, you agree to a state and/or federal criminal history records check that includes a background check, fingerprint screen and drug screen through a Chamberlain preferred vendor to determine your eligibility for an experiential learning placement. Without the experiential learning placement, you will not be able to complete the BSN program. These requirements also provide some indication of your eligibility for licensure at the end of the program.

A cleared background check, fingerprint screen and drug screen are required to progress in the program. All required screenings must be initiated prior to initial registration. Clearance must be achieved before progressing into the second semester of enrollment or prior to attending any course with an experiential learning component, whichever is sooner.

Students who do not satisfactorily clear the background check, fingerprint screen and drug screen by their deadline will have all future enrollment dropped. In addition, students may be immediately administratively withdrawn or be dismissed without the option to appeal. See the "Criminal Records" section in the academic catalog for additional information. Consistent with the Chamberlain University Student Handbook, students with positive drug screen results may be subject to Code of Conduct proceedings.

Students who choose to withdraw are administratively withdrawn or dismissed by the University will be held to the Cancellation & Refund policy in the academic catalog. A withdrawal or dismissal may result in the return of this Title IV Federal Student Aid. See the Federal Return of Funds policy in the academic catalog for additional information.

Additional screenings may be required at any time throughout the duration of your program.

Tuition is assessed each session according to enrollment. Students enrolling in January 2024 session or later, the tuition rate for Irwindale and Sacramento Campus students is \$753 per credit hour. **ARRANGEMENTS FOR PAYMENT OF TUITION AND FEES MUST BE MADE PRIOR TO REGISTRATION FOR THE STUDENT'S FIRST SESSION. FINANCIAL OBLIGATIONS MUST BE MET PRIOR TO REGISTRATION FOR SUBSEQUENT SESSIONS.**

For detailed tuition information, please refer to the Academic Catalog and Enrollment Agreement Addendum accompanying the enrollment agreement.

Students requiring repeat work will be charged additional tuition at the prevailing tuition rates. This may extend their degree program. Schedule changes affected during the add/drop period will result in a tuition adjustment and may have an impact on financial aid.

Tuition for all coursework is assessed according to the student's primary program of enrollment. Student's first program of study is considered the primary program unless the student requests a program change.

Online learning requires different skills than traditional in-person classes, and it is important to gauge if online learning is a good option for you. As a resource to enhance online learning abilities, Chamberlain provides a self-administered assessment for you to determine your readiness in taking online courses. The Student Online Readiness Assessment contains five (5) components or segments to explore your aptitude in the following categories: time management, problem solving, learning styles, communication and information technology.

REFUNDS AND WITHDRAWALS

The application fee is refundable if the agreement is canceled in writing prior to midnight of the tenth business day after the date of transaction as provided in the Buyer's Right to Cancel section, or as otherwise required by state law. To withdraw from Chamberlain after attending classes, a student must notify the designated official according to the policy outlined in the student handbook.

Withdrawal is complete when the designated official has been notified or on the date Chamberlain determines a student is no longer enrolled, whichever is earlier. Students who withdraw are responsible for outstanding financial obligations. In addition, those receiving federal student loans must complete an exit interview. Students must make schedule changes by the first day of class for course adds and by the end of week one for course drops to receive a tuition adjustment. Course additions are subject to academic approval. Tuition refunds will be issued on a prorated basis to students who withdraw from a course.

Chamberlain will send a monthly notice of the amount due and remaining balance. Chamberlain will provide students with a disclosure statement setting forth the material terms prior to a student's first payment becoming due. Failure to fulfill all financial obligations may result in a student's account being reported to the credit bureaus and denial of subsequent registration.

Only dropped courses are eligible for a 100 percent reversal of tuition and fees.

Refunds are based on the week of withdrawal and are calculated using the Chamberlain refund policy and any applicable state refund policy. The refund most favorable to the student is issued. Refund policies will be applied to the tuition charged for the withdrawn course. Refunds are calculated according to the last documented date of attendance and are issued within 30 days of the withdrawal notification date or the date Chamberlain determines a student is no longer enrolled, whichever is earlier. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds. In order to remain enrolled, students must demonstrate satisfactory academic progress toward completing their programs as outlined in the academic catalog. To graduate from any program, a student must maintain a cumulative grade point average of not less than 2.0 and satisfactorily complete all required coursework.

Changes may be applied to students already enrolled. For those cases, an academic advisor will specify an alternate plan of study which must be completed in lieu of the original requirements.

Students must contact their Advisor prior to making any changes in their program. Program approval varies by state. A student's program change or change of physical location or residence could impact eligibility for enrollment in a program. Students seeking resumption of study after involuntary or voluntary withdrawal need to be aware that curriculum changes may have occurred. A review with an academic advisor will be made to determine if an alternate plan of study is needed to permit those students to complete the graduation requirements.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market, Suite 225, Sacramento, CA 95834, 916.574.8900 or 888.370.7589.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.
